

Review

Ener.CON Europe 2013

*"A very important topic with leading players of the market.
Excellent Level of organisation."*

Tamas Bakos, Atlas Copco Airpower N.V., Belgium

From the 14th to 15th of March 2013, we.CONECT invited an international audience of global Executives, Managing Directors, Head of's and Managers from the energy & asset intensive industries and responsible for departments such as Operation and Production, Manufacturing, Environmental Technology and Facility Management to the **second annual ener.CON Europe conference** in Berlin.

More than **100** attendees gathered at the ener.CON Europe 2013 to discuss current challenges, brand new approaches and future trends in the field of energy efficiency. Participants, speakers and business partners joined in on one of the biggest international conferences on this topic and had the opportunity to exchange experiences, widen their network and debate upcoming challenges.

Review of the ener.CON Europe 2013:

- More than **100** participants from over **80** companies from all over Europe discussed about future challenges, latest approaches and future progresses in the context of energy efficiency and energy savings.
- **20+** high level case studies were resented by companies such as Tata Steel, SCA Global Hygiene Supply, Siemens AG, Agfa Graphics, IHS, ArcelorMittal, Emerson Process Management, Merck, Molson Coors Brewing Company, Johnson & Johnson, Carlsberg Group, Johnson & Johnson Worldwide Engineering & Technical Operations, ASML Netherlands, Rio Tinto Alcan, DNV KEMA, INEOS, PRAYON, PepsiCo Inc.
- This conference was rated in a scale from 1-5 with an average of **1.6** by **87%** of the participants. Where 1 stands for the highest and 5 the lowest.
- **6** World Cafés, **5** Challenge-your-Peers Round Tables, a wonderful evening reception and an eventful Icebreaker Session the evening before the conference.
- **9** leading Business Partners – Emerson Process Management, SGS, Siemens AG, Solvay Energy Services, Atlas Copco Airpower, DNV KEMA, IHS, Nedap Light Controls - introduced cutting edge product-solutions, management strategies and outstanding technologies
- **Ice Breaker Session** – An informative, inspiring get-together before the actual start of the conference

"Excellent idea-generation! Thinking at a global level!"

Martyn Garrett, TATA Steel, UK

More than 25 presentations and keynotes

Inspiring discussions and presentations regarding the core issues of the conference, including intelligent energy management, energy savings by production management, global corporate approaches to energy efficiency and sustainable energy management, fulfilled the expectations of the participants to a maximum.

Expert speakers from world leading companies gathered in Berlin to present their individual case studies, among others:

Rio Tinto Alcan, DNV KEMA, INEOS, PRAYON, PepsiCo Inc., Siemens AG, Tata Steel, ArcelorMittal, Emerson Process Management, Merck, Molson Coors Brewing Company, Johnson & Johnson, Svenska Cellulosa, Agfa Graphics, Givaudan, Emerson Process Management, Akzo Nobel, Novelis, Atlas Copco Airpower, SGS, Carlsberg Group & ASML Netherlands.

"The Ener.CON 2013 was a worthy event to live from so many different points of view: learning about energy tools and tips, involving people in energy projects, meeting and networking with peers."

Bernard Flament, PRAYON S.A., Belgium

In retrospect, the **ener.CON Europe 2013** featured a very interesting, diversified and highly interactive networking platform for leading Managers in the field of energy efficiency from all over the world.

we.CONECT wants to thank the team, participants, speakers, business partners and media partners for a very successful annual forum 2013.

We are looking forward to welcoming you at the 3rd annual Ener.CON Europe 2014 from the 13th to 14th of March 2014 in Berlin!
